BY HIS STRIPES, WE WERE HEALED

READ THROUGH THE BIBLE

NEW TESTAMENT PLAN

Matthew 27-28

1 YEAR PLAN

Proverbs 24-25

Text: 1 PETER 2:24

Who His own self bore our sins in His own body on the tree, that we, being dead to sins, should live unto righteousness: by whose stripes ye were healed. We should memorize this verse and hold it tightly in our hearts. It is true that Jesus has borne our sicknesses and diseases. Whose report will you believe? As for me, I will believe the report of the Lord.

Satan is the father of lies. His nature is lies. He brought sin into this world, and through sin, sicknesses began to spread upon the earth. There is only one thing in the heart of Satan: destruction. He seeks to destroy the soul, spirit, and body of man. Sickness is designed to weaken the body of man. You cannot just stand by and allow evil spirits to destroy your body with sicknesses.

Stand on the finished work of Jesus. Declare the fact that Jesus has made you whole. The problem many of us have is fear. Evil spirits speak to our minds, and we take their suggestions instead of taking the voice of faith. Rebuke sickness in your body in the name of Jesus. We must learn how to lay hands on our bodies and declare the Word of God.

Do not give in to fear. We should learn how not to fear. Do not say in your heart or with your mouth, "I have been believing God for this illness to go for so long, and it has not gone."

Keep believing, keep declaring, and keep rebuking anything that seeks to keep you sick. Amen.

Prayers:

Lord, open my eyes to see the fact that I'm already healed in Christ. Help me to know how to receive my healings.

Confession:

I believe in the finished work of Christ that brought about my healings. I will believe at all times, I will never waver at the face of any attack on my health. I will confess my healing, I will declare my deliverances.
