NO LONGER SLAVES TO FEAR

READ THROUGH THE BIBLE

NEW TESTAMENT PLAN

Mark 1-2

1 YEAR PLAN

Proverbs 26-27

Text: 2 TIMOTHY 1:7

God did not just want to create man and leave him to fend for himself. He wants to be the source and sustainer of man. He wants to be the very Rock from which our lives fount from. All that God has in store for us is contained in His will for us. And by seeking Him daily, through the help of the Holy Ghost, we gain access into His mind and will for us, and we live it out; this is victorious living; this is living by faith.

As we know, brethren, we have an adversary who doesn't want us to live by faith. Instead of faith, the devil wants us to live from fear; cut us off from the will of God for us, living without purpose, living without hope.

Every man that is born upon the face of the earth will be faced with one race or the other. The god of this world, which is the devil, has mapped out a kind of life where everyone that has not found mercy to know the will of God should live. That life is summed up in fear: The fear of not looking good enough, the fear of not doing well in academics, the fear of not finishing with a good grade in school, the fear of not getting a good job, the fear of not marrying, the fear of not having children. The list goes on and on.

One can spend all his life trying to prevent his/her fears from coming to pass, without knowing that he/she is actually living in the bondage that this world has designed to keep men. We give praise to God for the hope of His calling; that hope of eternal life that has delivered us from the bondage of this world and its fears. Hallelujah!

Brethren, even as the light of the gospel is shining, and we have been taught by our parents and Pastors in the truth of the gospel, we must be careful lest we find ourselves still being enslaved to these fears. Our only hope of perpetually living above this fear is to abide in the will of God through continuous communion with the Holy Spirit.

The Holy Spirit doesn't lead us out of fear, but from the place of love, to bring us to that expected end in God. It is the desire of the Father that all His children are delivered from every fear. But we must abide with His Spirit so that we can come into perfect and total liberty
