OVERCOMING SIN BY THE LAW OF THE SPIRIT OF LIFE

Matthew 13-14

1 YEAR PLAN

Habakkuk 1-2

It takes the workings of the law of the Spirit of life to be made free from the law of sin and death. A law is that which governs how humans and things behave. There are natural laws in creation; that is what determines between the behaviour of a tiger or an eagle. A lion cannot behave like a dog because they do not have the same law at work in them.

God installed a natural law in the first Adam, but Satan destroyed that law and installed another law in him, called the law of sin and death. But Jesus came with a superior law, called the law of the Spirit of life. This law is in Christ Jesus. This is the law that the faith of the Son of God gives. There is a higher law in the everlasting gospel of our Lord Jesus Christ.

The law of the Spirit of life will make us free from sin, but the everlasting laws, that is the Son of God, our Lord Jesus Christ, will totally deliver us from sin. We need to follow Christ until His laws are completely installed and written in us. The first Adam did not work or walk before God installed the law of the living soul in him.

We cannot acquire all the laws of Christ at once. Some of us already have some level of the law of the Spirit of life at work in us. Some of us can never do some things, no matter the pressure put on us. There are some brethren that can never tell a lie, cheat, harbour unforgiveness, commit adultery, etc. It is as a result of the law of Christ at work in them, but it does not mean they have gotten all the laws of Christ at work in them.

The Holy Spirit is the giver of the law of the Spirit of life. The law is not the Holy Spirit. The law of the Spirit of life is the first law of God.

There are laws that run God. God is a law Being. There are things God can never do because of the laws that are in Him. God can never lie. God cannot change. He cannot do some things because of the laws running Him. And there are things God will always do because of the laws running Him. He will always show mercy. He remains committed to the things He has said He will do. He will always believe. He will always love.

The law of sin and death is what is responsible for the things contrary to the will of God that we do. This law of sin and death was not installed in us overnight. We were led by evil spirits to acquire these laws in our souls. It is something we did over and over again until it became a nature in us.
