NEW TESTAMENT PLAN

Acts 25-26

1 YEAR PLAN

Isaiah 63-64

.There is a lot happening in the realm of the spirit right now concerning the Company of the Word of Righteousness. The Lord is positioning us for a great harvest coming to our community. Wasimi Camp is not ordinary in the agenda of God concerning the salvation of the nations of the earth. Men will come from all over the nations to partake of what God will be doing there.

God has raised some kingdom financiers in our midst over the years; men who are committed to giving to the work of God in our community. God is raising many more men into whose hands He will commit great amounts of financial resources for the purpose of the harvest of the nations.

Our Daddy, Rev. Kayode Oyegoke, spoke of some to whom God will be giving billions and millions of dollars for this purpose. Our Daddy, Bishop Isaac Crown, spoke of some who will be coming into their first millions in naira. He said this is a test to them. God wants to see how they will use their first million. It means God has much more in mind for them.

We have to pray that God sees us as useful vessels in His hands for carrying out His agenda on the earth. The truth is that this cannot happen by our own natural intelligence. There is a place for management in everything we do in life. You will have to steward the resources God commits into your hands, but the ability to create great amounts of resources has to come from God.

We all have to key into what God is doing in our midst. Financial grace is upon us. You and I will not be left out, in Jesus' mighty name

Prayers:

Thank you Father for your plans for the nations. Thank you for Daddy and Mummy Oyegoke, Thank you for Daddy Emeka Egwuchukwu, and all our fathers and pastors in the community of the word of righteousness. Thank you Jesus.

Confession:

Lord, I give myself to You to be used in any way You want. My resources, my strength, and my abilities are for Your glory. I position myself to be among those You will use financially to advance the gospel of the kingdom to the nations of the earth.
