THE GREAT PHYSICIAN OF THE HEAVENS (PT. 2)

READ THROUGH THE BIBLE

NEW TESTAMENT PLAN

Acts 15-16

1 YEAR PLAN

Isaiah 53-54

Text: 1 THESSALONIANS 5:23

The Lord is willing to heal the souls and bodies of believers. It is soul diseases that brought about physical diseases; man wouldn't have been falling sick if the soul of man had been intact the way God created it. Satan killed man's spirit in Eden, but the soul wasn't killed immediately when the spirit died. It took Satan some time before he could capture the souls of men.

Genesis chapters 6 and 11 recorded where Satan really captured the souls of men. There was no record of sicknesses and diseases before Genesis chapters 6 and 11. Death couldn't introduce physical sickness into man's world when the souls of the sons of God were still in strong fellowship with God.

God is life; to be separated from Him is death. He created the human spirit to be the channel through which life is supplied to the soul and the body. But when the human spirit died, God fashioned a way to relate with man's soul without the human spirit. What is in the soul determines what happens to the body (Proverbs 23:7). It was much later in Genesis that we began to see sicknesses and diseases afflicting men and women.

The work of the Great Physician of the heavens is to restore man to the original Eden of God. The Eden Adam fell from wasn't the original Eden. The original Eden is inside God, and there is no soul or body disease there.

He will heal us to enter into the beginning of the Edenic life in God. He will make us whole to perpetually abide there. He wants to heal our souls of these diseases: pride, haughtiness, selfishness, anger, envy, evil speaking, jealousy, sorrow, bitterness, unforgiveness, lying, unfaithfulness, adultery, fornication, idolatry, etc.

These soul diseases are the things that bring about physical diseases. You will not automatically stop falling sick because your soul is being healed of these diseases. God has provided the milk to deal with physical diseases until our souls have trapped much life in them. There is an amount of life that the soul will come into that will never allow sicknesses to stay in the body.

Jesus our Lord couldn't have been sick because of the amount of life He possessed in His spirit, soul, and body. It was until the cross that God the Father, through the Holy Ghost, put on Him the sin of the whole world that He felt sicknesses and diseases in His being. He did that for us. Thank you Jesus

Further reading: Romans 8:11

Prayers:

Father, help me to steadfastly pursue things that make for my cleansing, healing and wholeness. Grant me wisdom to know what to do daily. I don't want to remain foolish, help me Lord.

Confession:

I will treat everyday as if that's the last I have on earth. I will be committed to making sure the will of the Lord is accomplished daily in my life. I know Jesus is on my side, He will never leave me nor forsake me. I will be victorious in Jesus mighty name. Amen
