THE GREAT PHYSICIAN OF THE HEAVENS

READ THROUGH THE BIBLE

NEW TESTAMENT PLAN

Acts 13-14

1 YEAR PLAN

Isaiah 51-52

Text: 1 John 3:8

The Great Physician of the heavens visited us greatly at this year's Believers' Convention. It was a great time of healing and sealing in God's presence. God is interested in making us whole. He began the work in us by giving us a brand new human spirit. He didn't give us a refurbished human spirit; rather, He gave us a brand new one.

All that our pastors and spiritual parents are labouring for is to ensure that our souls and bodies fully come into wholeness. We can never be made whole without seeing the need to be made whole. Are you satisfied with the kind of person you are now? Is there a desire in you to be made whole?

The Great Physician of the heavens wouldn't be able to effectively work in us without us calling on Him with our desire to be made free and whole from the things holding us bound. There must be a daily cry from within us. We came into these things holding us through wrong desires. The eyes of our hearts were blind; we weren't seeing. Satan worked death in our souls and bodies in our ignorance.

Light needs to shine abundantly in our hearts for us to receive our healing and wholeness; light to see the need for healing and wholeness, and light for the work of healing and wholeness to be wrought in us.

The Great Physician of the heavens hasn't finished His work in our midst with the conclusion of BECON 2026. His work is still ongoing. He is ready to heal and make whole those who are daily seeking healing and wholeness. Come unto Him with your desires. Don't be satisfied with who you are now. Come, I say come! Selah.

Prayers:

Lord, I desire to be made free from things holding me bound (mention things to the Lord). I know the reason you became a man is to destroy these things, I don't want to continue living with these things in my soul anymore, make me whole Lord.

Confession:

I will seek Jesus the great physician until my healing is complete, I will never stop pursuing after Him, my wholeness is sure in Him. Hallelujah!
