WARRING WITH LIGHT PT. 2

READ THROUGH THE BIBLE

NEW TESTAMENT PLAN

2 Timothy 1-2

1 YEAR PLAN

Ezekiel 20-21

Text: COLOSSIANS 2:13-15

The gospel of our Lord Jesus is too beautiful. What makes it look ugly to men is the wrong image Satan has painted in their hearts. He has built a wrong view of life, so what men call life is different from God's view.

Satan and his cohorts fighting to ensure men never see what God prepared for those who love Him. He wants us to waste time pursuing things that don't have any eternal value. They do this with force, but thank God for Jesus. We have been made to see that those that are with us are more than the evil spirits fighting us from standing in truth. "Eye hath not seen, nor ear heard, neither have entered into the heart of man, the things which God hath prepared for them that love Him" (1 Cor. 2:9).

God the Father is with us, God the Son is with us, God the Holy Spirit is with us. The angels who did not fall are far more than Satan and his cohorts projecting wrong thoughts. We need wisdom and understanding to understand this warfare. God is a God of order; He has laws, and will not act outside His principle. It seems Satan has the upper hand, but He is defeated. The problem is that God's children do not know the rules. God has His pattern; He will not shift it for anyone. To shift from His principles is to agree with Satan.

God wants us submitted to His Spirit, to allow Him to teach and lead us. It is in being led that you are raised with wisdom and understanding. Satan does not understand the wisdom of the Spirit, so he fights to ensure we do not agree with the Spirit. He wants us to hold our own opinion, which is actually his opinion. Allow the Spirit to lead you today. The leading of the Spirit is the beginning of victory over Satan.

We cannot defeat Satan with our own senses. We should read Kenneth Hagin books like "How You Can Be Led by the Spirit" and "Following God's Plan For Your Life"; they will give a sense of God's plans for you, and receive help on how to align and plan your life around Him. Grace and peace be multiplied to us all in Jesus name. Amen.

Prayers:

I desire you Jesus. Teach me your ways, fill my heart with the knowledge of you, and prepare me for your glory.

Confession:

Satan, you have deceived me enough. I am no longer available for your lies and deceit anymore, I have found the light, and I will follow the Lamb until I'm fully enlightened as He is.
